Bring Halfmoon accents to your space with the Cara collection. Overscale proportions, soft and subtle semi-circle shaping and a fresh light Oak finish will add charm to any room. The collection has 2 media units, 2 sideboards, and 2 dining tables giving the range flexibility for the customer. Cara is a simple trend led design, there is something about Art Deco that imbues elegance and with the Arc handle you get just that. Whilst being a contemporary piece it pays homage to a bygone era and adds a touch of sophistication to your space. It's also reassuringly heavy with soft-closing doors.
